

EXPLANATION

Well used for control
 Top number indicates altitude, in feet, above or (-) below sea level, e indicates altitude is estimated; bottom number indicates depth to top, in feet below land surface

Supplementary control point

Contour showing approximate altitude of the top of the Queen City Sand, in feet, above or (-) below sea level
 Contour interval 100 feet

Limit of fresh to slightly saline water

Outcrop of Queen City Sand

Contact, dotted where concealed

Fault, U, upthrown side; D, downthrown side; dashed where inferred

Figure 7
 Approximate Altitude and Depth to the Top of the Queen City Sand, Houston County
 U. S. Geological Survey in cooperation with the Texas Water Development Board

Base compiled from topographic maps of the U.S. Geological Survey and county highway maps of the Texas Highway Department
