

EXPLANATION

Potential well yields, in gallons per minute

	less than 100		500-800
	100-250		800-1000
	250-500		more than 1000

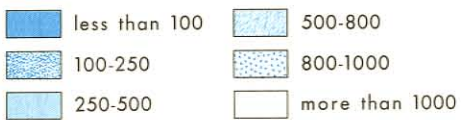

1974  
Estimated Potential Yield

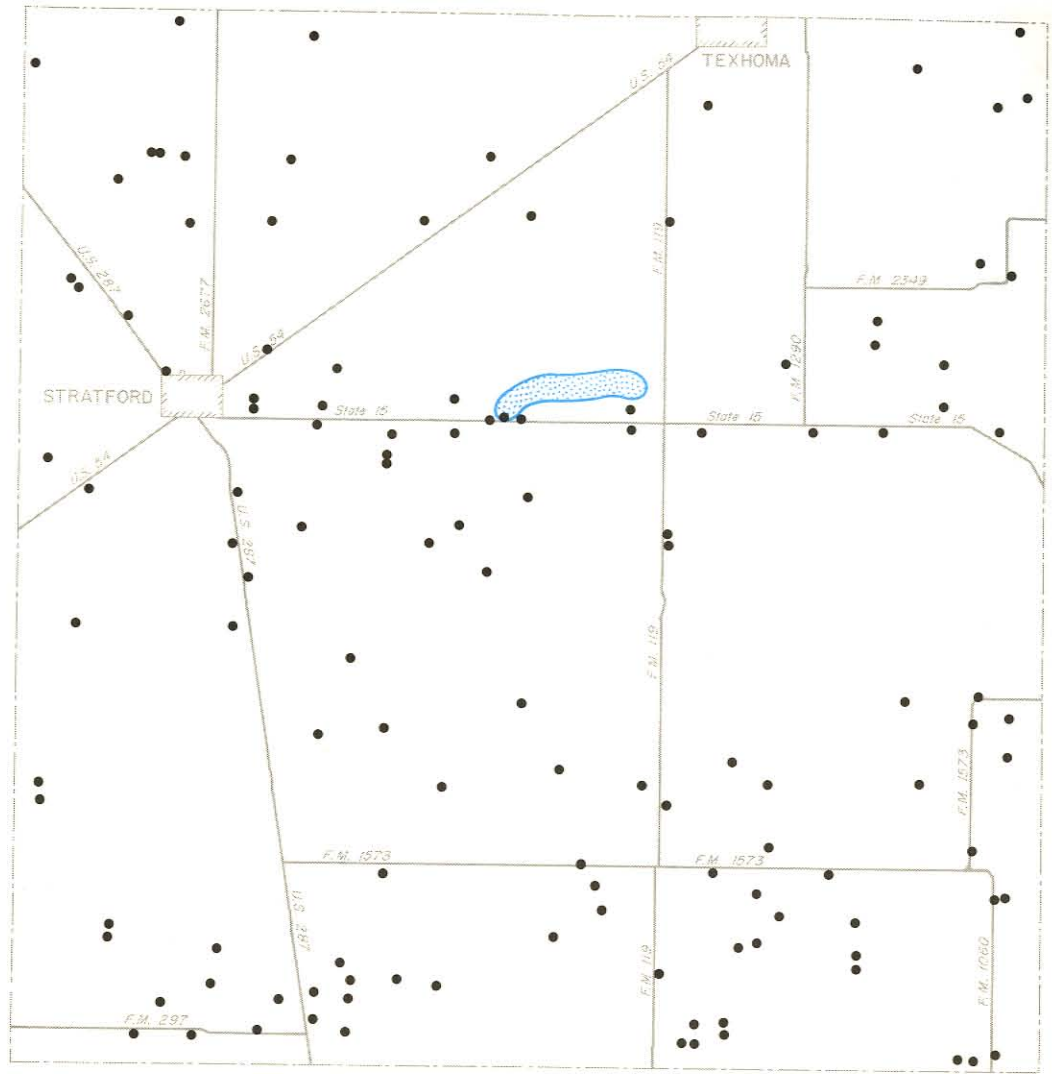

EXPLANATION

Potential well yields, in gallons per minute

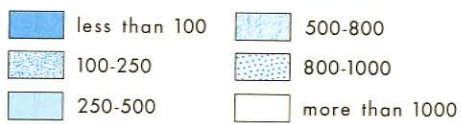

1980  
Projected Potential Yield

EXPLANATION

Potential well yields, in gallons per minute

1990  
Projected Potential Yield

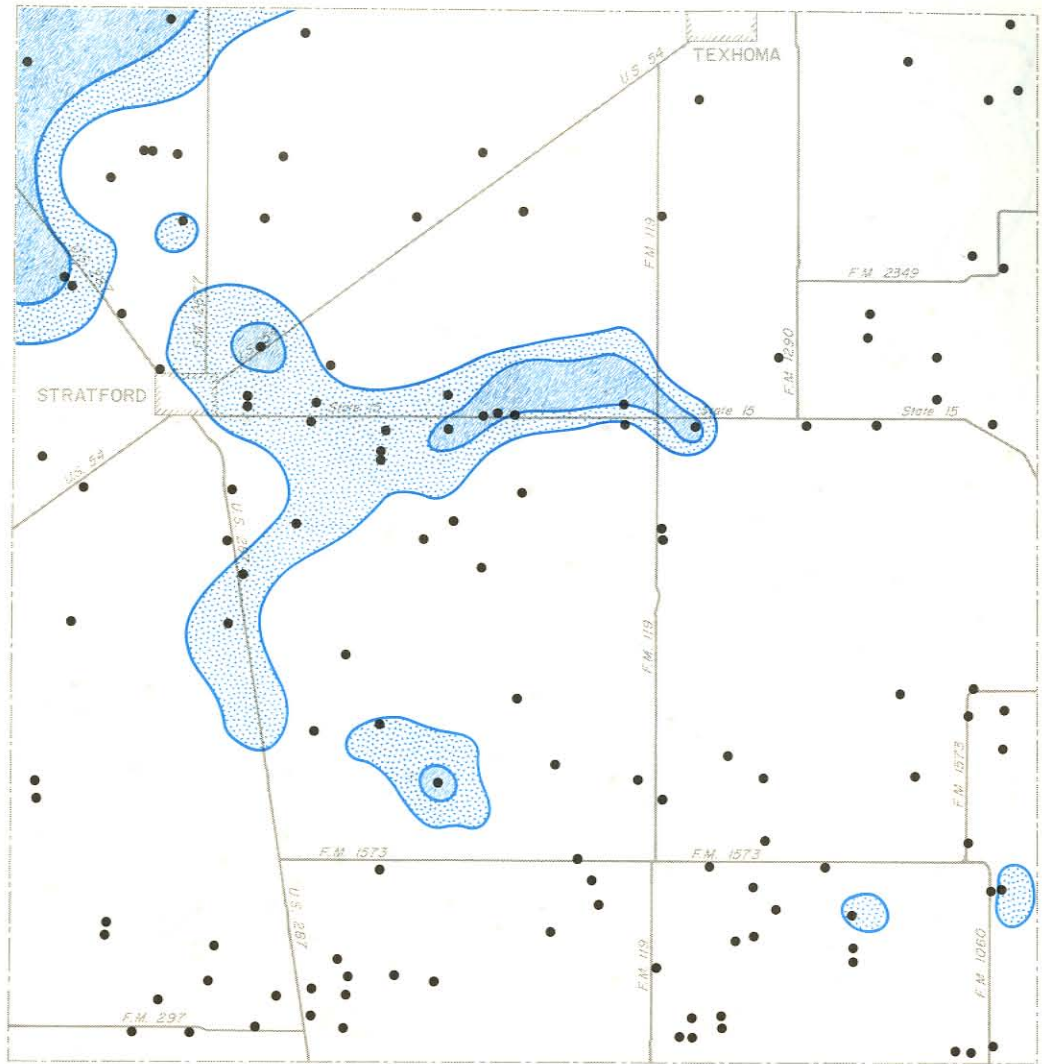

EXPLANATION

Potential well yields, in gallons per minute

	less than 100		500-800
	100-250		800-1000
	250-500		more than 1000

2000  
Projected Potential Yield

EXPLANATION

Potential well yields, in gallons per minute

	less than 100		500-800
	100-250		800-1000
	250-500		more than 1000

2010  
Projected Potential Yield
